APPLIED CREDIT HOURS FROM KNC.

INTRODUCING DWC

Dalvkot Wound Care Centre was started in the year 2019 with the vision of quality treatment accessible to everyone, transforming the future of wound care solutions and also to commence fellowship programme for practicing nurses on wound care management. This workshop is organized by DALVKOT WOUND CARE CENTRE.

OVERVIEW OF THE WORKSHOP

This workshop aims to strengthen the practice nurses to develop skills in wound care assessment and treatment modalities to provide quality health care to the patients.

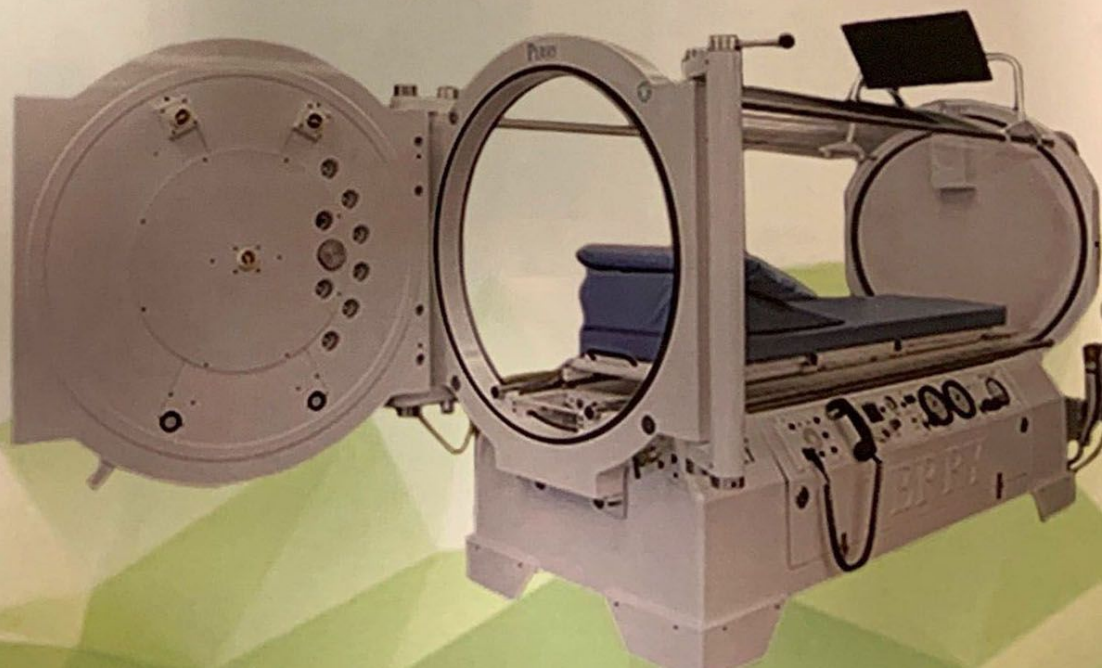

OBJECTIVES

- Strengthen the practice and skills on wound care management
- Orientation to Hyperbaric Oxygen Therapy
